

*Hope's Chariot, Inc*

Solutions powered by the horse

## **Level 1 Horsemanship/Riding Lesson Objectives**

Upon completion of the Hope's Chariot Certified Horsemanship Association Level 1 Horsemanship Program the rider will have mastered the following skills and knowledge:

### **Riding**

- Approach and lead a horse correctly and safely.
- Mount with control and without disturbing the horse.
- Dismount safely with control and prepare your horse to lead.
- Ride at a walk with good Level 1 position and control.
- Ride at a trot around the rail with good Level 1 position and control.
- Halt from the walk and the trot on command, with control and without hurting the horse.
- Ride turns and reverses at the walk and trot with good Level 1 control.

### **General**

- Be able to give 5 safety rules and a reason why each is important.
- Demonstrate 3 simple grooming steps.
- Show how to check your equipment before riding.
- Be able to pass the written test.
